Chairman Richard Souza would like to formally invite you, or a representative of your organization, to attend a meeting of the Herkimer County Democrat Committee on Tuesday, May 10, 2016 at 6:00 pm at the Knights of Columbus hall on West Street, Ilion, NY. At that meeting it is anticipated that local attorney, Audrey B. Dunning, will announce that she is seeking the office of New York State Senator for the 51<sup>st</sup> District.

"Audrey has a long history of service to our community, both in out of the courtroom," said Richard Souza. "She will surely be a strong and tireless advocate for our District in the State Senate."

She received national attention for her successful representation at the New York Court of Appeals in the landmark case of the People of the State of New York vs. Plunkett.

We hope you will send a reporter from your organization to hear her announcement and begin getting to know her.
